GROWING TOGETHER

Lounsbury & Associates is a 60-year-old surveying and engineering company based in Anchorage, Alaska with satellite offices on the North Slope and Wasilla. Our company provides services to the oil and gas industry in Alaska, and has been involved in the exploration and development of every major prospect in the state.

Our project experience includes work with clients such as:

- ConocoPhillips Alaska
- Chevron USA
- Anadarko Petroleum
- Pioneer Resources
- ENI Petroleum
- FEX, L.P.
- BP Alaska
- Armstrong Oil & Gas
- Denali – Alaska Gas Pipeline
- Union Oil
- Marathon Oil
- Total E&P
- Evergreen Resources
- Forest Oil

Lounsbury has been providing services in Alaska since 1949. No other surveying and engineering firm can match our experience in the Last Frontier.
